[www.macgrove.org](http://www.macgrove.org)

# Thanks for joining us to celebrate our 21th Annual Highland/Mac-Groveland Home Improvement Fair!

*The Macalester-Groveland/Highland Home Improvement Fair is organized by the Macalester-Groveland Community Council and the Highland District Council.*

**The Macalester-Groveland Community Council (MGCC)** is a non-profit organization that provides an opportunity for area residents, businesses and institutions to identify, plan and address community goals.

Edgumbe Rec Center  
320 S. Griggs Street  
St. Paul, MN 55105  
651-695-4000  
[www.macgrove.org](http://www.macgrove.org)

**The Highland District Council** is a local voice in city government for residents living in the area bounded by Randolph Avenue on the north, Mississippi River on the west and south, and West 7th/I-35E on the east.

Contact the District Council staff at 651-695-4005 for more information on its programs and opportunities for involvement.

## **Planning Green Events**

*Mac-Groveland Community Council Organics Task Force*

Learn how to keep your spring events, picnics, and parties waste free. Hear practical, cost-effective strategies.

## **Air Sealing Your Home for Comfort and Energy Savings**

*MGT Remodeling & Insulation Inc*

Presentation identifies common areas in a home that are "big leakers", how professionals seal these areas, and what you can expect in comfort and savings. Ice Dam prevention.

## **\*Guide to Hiring a Contractor**

*Buck Brothers*

Essential information for finding potential contractors, interviewing them and making a final selection to complete your project.

## **\*Don't Replace Your Windows!**

*Restoration Window System*

Learn the differences between old windows and new replacement windows. Energy efficiency, wood repair, refinishing and painting options will be compared.

## **\*How to Keep Your Basement Dry**

*1st Choice Home Improvements*

## **Patios of All Kinds!**

*Johnson Creek*

Video/powerpoint presentation discussing patio types, materials, installation and layout

## **\*Remodeling Your Basement on a Budget**

*Castle Building & Remodeling*

Review process and budget related decisions and plans. Complete with photos of beautiful projects.

## **\*Why Design Matters: Benefits of Using a Designer**

*White Crane Construction*

Senior White Crane designer Lynne Shears discusses the benefits of using a designer in your home remodeling project, and answers design.

## **Front Entry Steps—the 1st Impression of Your Home**

*Goodmanson Construction*

Transform your dull, worn concrete entry steps into a welcoming, attractive look. We will demonstrate multiple options for designs, to fit esthetics, budgets and functionality.

## **\*Live Life Well: Kitchen Design Workshop**

*Ispiri, LLC*

Please join Ispiri Design Build and our partners presenting the best solutions for living life well in the home!

## **\*How to Choose a Remodeler and Survive with your Budget & Sanity Intact**

*Ottagawa –Anschel Design Build*

## **\*Installing an Aluminum Fence or Railing**

*Premier Fence*

Step by step installation of aluminum fence and railing products., for the do-it-yourselfers. Sometimes intimidating, but very user friendly.

## **Small Space Kitchen Design for Older Homes**

*Spaces Into Places*

Take an in-depth look at solutions to challenges created by small kitchens in vintage homes. Space savers and designs showing how to maximize the space you have .

## **\*Creating a Fun Landscape**

*Living Space Landscapes*

Inspiring ideas to overcome challenges of small spaces. Make your yard unique and fun.

## **Repair and Reuse of Everyday Things**

*Fixity*

Demonstration of common household repairs including mending, zipper repair and gluing. Learn about reuse projects for everyday household items:

## **\*Smart, Sustainable Choices for Remodeling and New Construction**

*EcoDEEP*

Examples with some simple solutions that almost anyone can do on a low budget. A discussion of sustainable design strategies in residential construction .

## **You and NEC = Energy Efficient home: Energy Advisor at Your Service**

*Neighborhood Energy Connection*

Allow the NEC to help you navigate your choices, maximize your rebates, and connect you to fantastic financing and other helpful programs. It's simple and rewarding!

## **Lock and Security Tips-Non Electric**

*Amazing Husband Handyman*

I will show some simple repairs that substantially increase lock security on older homes. Also antique lock repair.

## **How to Air Condition a Home with Radiators**

*Uptown Plumbing, Heating & Cooling*

This presentation will cover every available air conditioning option for a home with radiators - complete with video and pictures.

## **Use MN Housing to Finance Your Next Home Project**

*Minnesota Housing*

Will present MN Housing's Home Improvement financing programs which provide a safe and affordable means to make improvements to one's home.
