## Informational Public Meeting for Snow Plowing on Pinehurst between Snelling and Mount Curve

Dear Community Member,

The Highland District Council's Transportation Committee will host an informational meeting to discuss snow plowing on Pinehurst Ave between Snelling and Mount Curve, during its committee meeting on Tuesday, February 11<sup>th</sup> at 6:30 PM at Hillcrest Recreation Center.

In an effort to improve service to the residents of Pinehurst Ave Public Works is considering some changes to the City's Snow Plow Plan. They are looking at changing Pinehurst from Snelling to Mount Curve to a Night Plow Route when a Snow Emergency is called.

### ***What is a night plow route?***

- Night Plow Routes are marked with signs that say "NIGHT PLOW ROUTE" or "NIGHT PLOW ROUTE THIS SIDE OF STREET."
- Parking is banned on Night Plow Routes until the street is plowed full-width.
- Vehicles which are not moved from Night Plow Routes by 9 p.m. on the day of the declared snow emergency will be ticketed and towed.

We would like to receive your input and comment on these changes.

A representative from Public Works will be at the meeting to answer residents' questions.

If you have questions you would like to submit ahead of time, or if you are not able to attend the meeting in person, but would like more information or to comment on the project, contact Doug Drusch at [doug.drusch@ci.stpaul.mn.us](mailto:doug.drusch@ci.stpaul.mn.us).

Sincerely,

Kathy Carruth  
Executive Director
