To qualify for an Alley Garden Award, the garden must meet all of the following requirements:

- The property must have an easily recognizable house number on the garage (or elsewhere in the ally if there is no garage).
- The garden must be along the alley and on the alley side of any fence.
- The alley garden must be weed-free and well-maintained along the entire property line.
- The alley side of the property must positively contribute to the character and beauty of the alley by being litter free.
- The garden meets the definition of a garden as an area of land (which can also be contained within pots) used for the cultivation of flowers, decorative plants, vegetables, herbs, or fruit.

The Ally Garden Awards is a program of the Community Services Committee of the Highland District Council which meets on the fourth Tuesday of each month at 6:30PM.
