Dear Neighborhood STAR Board,

The Highland District Council is pleased to submit this letter of support for the Neighborhood STAR grant application put forward by the Council of Parents and Teachers of EXPO School. The Treasure Island playground has been a destination play area for our neighborhood for over 25 years. The play area is next to the Carondolet soccer fields and the baseball fields that are used by Cretin-Derham Hall, Highland Groveland Recreation Association and neighborhood families throughout the spring and summer.

The Highland District Council's Board supports the project and is always looking for ways to foster community in Highland Park and to help build a more vibrant, welcoming neighborhood.

Thank you for your consideration of this proposal.

Kathy Carruth
Executive Director
