Dear STAR Board,

The Highland District Council is pleased to submit this letter of support of the STAR grant application put forward by the Highland Business Association. Highland Fest is a way to showcase the different cultures of Highland Park and the surrounding Community. Featuring a variety of entertainment, an Art Fair with artists from around the country, cultural foods, and a non-profit Village that highlights the diverse groups of Highland Park and the metro area, it is an important event for our neighborhood.

The Highland District Council's Board is supportive of the concept and is always looking for ways to foster community in Highland Park and to help build a more vibrant, welcoming neighborhood.

Thank you for your consideration of this proposal,

Kathy Carruth  
Executive Director  
Highland District Council

Resolution 2018 – 05E
