Resolution in Support of Accessory Dwelling Units

WHEREAS, Jamie Radel, City of Saint Paul Planner, met with the Highland District Council's Community Development Committee on Tuesday, May 15th to discuss the proposed zoning amendments for Accessory Dwelling Units in the City of Saint Paul; and

WHEREAS, it was confirmed that the Ward 3 Design standards would remain in place with the approval of ADUs in the Highland Park neighborhood; and

WHEREAS, the Committee was supportive of the intergenerational living component and the additional choices ADUs provide for aging community members to live more affordably and safely; therefore

BE IT RESOLVED, that the Highland District Council supports the proposed changes to the Zoning Code that would allow for Accessory Dwelling Units.
