Resolution in Support of the Minor Variance for 530 Mt Curve Blvd

Whereas the Community Development Committee of the Highland District Council met with Pat and Rebecca Hughes, the property owners of 530 Mt Curve Blvd on Tuesday July 15, 2014,

Be it Resolved, that the Community Development Committee of the Highland District Council recommends approval of a 3 foot variance of the side yard setback requirement in order to construct a second story addition over an existing single story bump-out at the back of the house.

Approved July 15, 2014

By the Community Development Committee of the Highland District Council

Resolution 2014-22D
