Resolution in Support of 561 South Snelling, Trapped Puzzle Room

WHEREAS, the Community Development Committee of the Highland District Council met with the owners of Trapped Puzzle room, located at 561 South Snelling, on Tuesday, February 21st, 2017 to discuss the application for a variance for the removal of the standard requirement of a 100 foot clearance from their building to the closest point of any residential lot in a residential district; and,

WHEREAS, the tenant in the building and the residential neighbor across the alley have given their support; and,

WHEREAS, the applicant does not make a large amount of noise, operate with late hours or have large numbers of people at their business; therefore,

BE IT RESOLVED, that the Highland District Council recommends a variance for the removal of the Standard Requirement of a 100 foot clearance from 561 South Snelling to the closest point of any residential lot in a residential zoning district.

Approved March 2, 2017
By the Highland District Council Board of Directors
