Dear Dr. Bruin,

The Highland District Council is pleased to submit this letter of support for the 2015 Serendipity Grant put forward by your department and the University of Minnesota with respect to the proposal to complete the transdisciplinary, collaborative research and compare residents' expectations for housing, retail, recreation, and other amenities and public spaces to community plans to mitigate the physical, psychological, and social changes that may accompany aging.

The Highland District Council's Board believes this project will be extremely helpful to the City of Saint Paul's Planners and the Highland District Council as we begin our review of the Highland Park Neighborhood Plan, over the next two years.

The Highland District Council is looking forward to working with you on this project, should you receive the funding.

Thank you for this opportunity,

Kathy Carruth  
Executive Director  
Highland District Council
