

New Study Materials Posted

Three technical memos and a map are now posted to the [Documents section](#) of the Riverview Corridor website.

The [development](#) and [transit travel](#) market analyses provide detail on growth patterns used in the development of the purpose and need statement for the pre-project development study.

A [purpose and need statement](#) has been developed to guide the decision making process.

The [new map](#) identifies possible transit modes and route alignments.

Overview Video Available

The [first video](#) in a short series of Riverview Corridor videos shares information about the transit study taking place along a 12-mile route between the Union Depot in downtown Saint Paul and the Minneapolis-St. Paul International Airport and the Mall of America.
