Building a More Vibrant, Welcoming, and Safe Neighborhood

Resolution of Support to work with Friends of Highland Arts on Highland Pool House

WHEREAS the Community Service Committee of the Highland District Council(HDC) met with the Friends of the Highland Arts to discuss the condition of the old Highland pool house on the northeast corner of Montreal Ave. and Hamline Ave. and to hear the results of public input regarding the building; and

WHEREAS the pool house is in extreme disrepair and in urgent need of care in order to prevent the building from becoming a total loss; and

WHEREAS the HDC believes that it is important to assess the exact condition of the building in the very near future and determine if the building could be suitable for reuse;

WHEREAS the HDC believes that the pool house, if suitable for reuse, could be a positive asset for our neighborhood and has the potential for a public/private partnership to use the building for both the benefit of the community and at a profit for the city; therefore

BE IT RESOLVED that the Highland District Council will work in partnership with the Friends of the Highland Arts to proceed with further community engagement to determine the best use of the pool house; and

BE IT FURTHER RESOLVED that the Highland District Council will jointly work with the Friends of the Highland Arts to urge the city to determine the exact condition of the building and requirements for it to become a successful asset in our community.
