

A Volunteer Reserve Officer will do a “Premise Survey” of your property upon receiving this completed request form. They will check things such as lighting, locks (windows and doors), landscaping, etc. You are not required to do any of the changes they suggest – these are suggested improvements that could help to secure your home!

Call Community Services Unit at 651-266-5485 for more information or simply complete this form and mail to the address listed on the form.
