Vacation watch is a FREE service provided by the Saint Paul Police Reserve Officers. Reserve Officers are trained civilian volunteers who provide many services to the community to assist police.

If you are going to be away from home for 2 – 30 days, you can register with the Reserve Officers to check on your home by calling the Community Services Unit at 651-266-5485.

You will need to provide details such as the time you will be away, any key holders for your home, is anyone going to be going into your home to water plants, feed pets, etc.? If the Reserve Officers see that your home has been tampered with; doors open, windows open, etc., they will call for an officer who will respond and treat the call as a possible burglary in progress. Please inform the people you entrust as key holders of this.

Again, call the Saint Paul Police Community Services Unit at 651-266-5485 to register for VACATION WATCH!
