## Woodlawn/Jefferson Phase I Question and Answer Forum

September 5, 2018

Dear Property Owner:

The Woodlawn/Jefferson Phase I Residential Paving Project will be completed this fall resulting in a street that is smoother, safer, and better lit. In coordination with this project, Xcel Energy, Saint Paul Regional Water Services, and other utility services will be upgraded and improved.

A Public Hearing before the City Council for the approval of the project's assessments has been scheduled for Wednesday, October 3, 2018. You will receive a separate mailing regarding this meeting.

On Monday, September 17, 2018, representatives from the Department of Public Works Street Construction Division and the Office of Financial Services Real Estate Section will hold an informal question and answer forum to address questions you may have related to the construction work and/or assessment cost.

**Monday, September 17, 2018**  
**Stop by anytime between 6:00 p.m. and 7:00 p.m.**  
**Highland Park Library**  
**1974 Ford Parkway**

If you are unable or do not plan to attend the forum, you may contact me directly by phone at 651-266-6112 or by email at [Barbara.mundahl@ci.stpaul.mn.us](mailto:Barbara.mundahl@ci.stpaul.mn.us).

Billing and assessment questions should be directed to the Assessment office at 651-266-8858.

Thank you,

Barb Mundahl, Project Engineer
